Experienced professional looking for a full-time Web Developer/Software Programmer job. I am an experienced professional with 7+ years of experience in the healthcare industry in United Kingdom (UK). I have excellent verbal and written communication skills. I take great initiative in my work and have the ability to work as part of a team. I am a motivated individual with a drive to achieve and finish the task. I am quite compassionate with growth-mindset. I am currently pursuing Bootcamp course at UT Austin in Web-Development. I am looking forward to begin my professional carrier journey as web-developer.
